

Dog Licensing and Rabies Clinic

Please remember ALL 2008 dog licenses expire on December 31. State Statute requires that a rabies vaccine that expires before November 1, 2009 must be updated prior to the issuance of a 2009 license. Renewal applications are mailed mid-December. A late fee is charged for license renewal applications received after January 31.

If you have any questions about licensing your dog, please contact the Township Clerk's Office at 973-263-4356.
