

PERMANENT WATER CONSERVATION REGULATIONS

June 1 to September 30 each year

Residential Conservation Regulations:

Properties having even-numbered street addresses are permitted to water only on even-numbered days of the month from 5am to 9am and 5pm to 9pm.

Properties having odd-numbered street addresses are permitted to water only on odd-numbered days of the month from 5am to 9am and 5pm to 9pm.

No watering is permitted on any Friday or on the 31st of the month.

Non-Residential Conservation Regulations:

Non-residential lawn watering is permitted only on Mondays and Thursdays, from 5am to 9am and 5pm to 9pm. No watering on any Friday or on the 31st day of the month.

Additional Information:

These conservation measures apply only to lawn watering.

These regulations apply not only to properties that receive water provided by the Township but also to all supplies of water located within the Township including but not limited to wells and other utilities and authorities.

Newly installed sod or seed are exempted from these regulations for a period of two weeks upon notice of installation to the Water Utility.

For regulations covering athletic fields, nurseries, golf courses, properties without odd/even street numbers or for any other questions, please contact the Water Utility at (973) 263-7099.
