

MAYOR BARBERIO'S WEEKLY UPDATE

Week of July 11, 2016

SUMMER CONCERT SERIES FT. THE BRONX WANDERERS

The summer concert series is a great time for the community to come out, get together and enjoy the music! We have great events in Parsippany, thanks to our sponsors! I truly enjoy the concerts in the summer because of the great music and the smiling faces of people in our community.

PARSIPPANY PAIRS WITH "IT'S A RUFF LIFE RESCUE"

We have begun a very special campaign for the month of July for some adult dogs at "It's A Ruff Life Rescue," targeting veterans.

My hope is that we can get some of these adult dogs out of boarding and into their "forever" homes. We have a private sponsor who has graciously agreed to pay the adoption fees for 10 dogs if they go to veterans. This program will be a win-win for our veterans and the animals.

Library Summer Programs for Kids

This summer, Lake Hiawatha Children's librarians have been busy conducting programs for infants, preschoolers and elementary school children. They offer a multitude of different programs for every age group, ranging from infants-elementary age. The programs vary from Nursery Rhyme to Character parties. Some programs do require registration, for more details please check our program calendar online.

Why does my Water/Sewer bill look different?

We have recently changed our eBill format- All eBills will come with an attachment of your water/sewer bill with the same format as the paper bills.

How do I sign up for eBills?

"If the world could see how well Parsippany gets along the world would be a much better place." – Mayor James Barberio

PRESSURE TESTING OF NEW UPS FACILITY

The townships' water department has been busy this week! They have filled the water mains at the new UPS IT site to begin water pressure testing.

I am so happy to have this UPS IT facility in Parsippany!

Rest in peace to the Dallas officers that lost their lives in the line of duty on July 7, 2016.

PATROL OFFICER VISITS BRIGHT HORIZONS CHILD CARE CENTER

Patrol Officer Brian Conover went to Bright Horizons Child Care Center so the children would get the opportunity to meet a local Police Officer. During his visit, he spoke to the children about trusting police officers, stranger danger and handed out goodie bags to the kids! Children being comfortable with police officers at an early age is beneficial for parents and children in case there ever is an emergency.

PARSIPPANY TOWN ARCHIVING PROJECT

The Clerk's office is responsible for the records management of the Town of Parsippany. The Clerk's responsibility is to ensure that the records serve the purpose for which they were created and to provide for their proper disposition after their administrative, fiscal and legal value has expired, provided that the State statutory procedures are followed. This week alone, 650 boxes have been destroyed.

TWO GRANTS AWARDED TO THE SMITH-BALDWIN HOUSE PROJECT

The early 19th century Federal and Greek Revival Smith-Baldwin House is a contributing resource in the Troy Historic District. This grant will provide for completion of Construction Documents for house rehabilitation and completion of archaeological investigations.
