

MAYOR BARBERIO'S WEEKLY UPDATE

Week of August 01, 2016

NATIONAL NIGHT OUT

National night out is an annual community building campaign that promotes law enforcement partnerships and neighborhood camaraderie to make our neighborhood a safer, better place to live. Our police officers were able to explain to the children the dangers of all drugs and how to handle a situation, if they are ever involved. This event builds a relationship between law enforcement officials and residents.

POLICE EXPLORERS CLUB ORIENTATION

On August 4, 2016 the Police Explorers Club Orientation took place at the Parsippany Police Department. The purpose of this orientation was to welcome the "explorers," into their new club. I was lucky enough to be able to welcome the students and some of their parents into the event. This program has already fulfilled many hopes and dreams for these students, special thanks to Lt. Brian Dowd for organizing this program down to every detail. Thank you to all of the Parsippany police department for all of their hard-work and effort in organizing events for the children of Parsippany.

SEWER UPDATES UNRELIABLE EQUIPMENT TO NEW SEWER CAMERA SYSTEM

With this new System the sewer department will be better able to respond to sewer system emergencies and issues our residents may have. We will begin inspecting the Sewer System to diagnose problems, before they become an issue. The sewer department employees are pictured below obtaining their training on the new system!
