Girl Scouts Visit Town Hall

Girl Scout Troop #75609 stopped by October 4, 2016 for a visit! They were able to stop by and visit the clerk's office where they learned about dog licenses, marriage licenses and more! After, I showed them the Council Chambers- where council meetings take place, as well as many other important town activities! They received the opportunity to ask many questions about Parsippany and how government works!

Hall of Fame

On October 1st, I was in attendance at the 2016 Hall of Fame induction at his alma mater, Parsippany Hills High School. This year, 7 high achieving PHHS graduates were honored. They were The Honorable Laura Birkmeyer, Class of 1977; Hermann Pappas, Class of 1979; Dr. Erin Simon Schwartz, Class of 1984; Keith Pollack, Class of 1997; Chris Madia, Class of 1998; Johnnie Morant, Class of 2000; Dr. Evan Gallipeau, Class of 2001; and Claire Pompei, distinguished teacher of science. It was a testament to these inductees to see the room filled with former teachers and coaches. Congratulations to Sue Bonnet and John Pico on an extraordinary effort and to all those young people who have achieved so much post high school.

I would like to take the time to congratulate the Parsippany High School Girls RedHawks soccer team for winning on the road with a 1-0 victory over Whippany in the MCT and advancing to the quarterfinals!

⊕ Way to go Lady RedHawks! ⊕

Magnovo Training Group is a facilitating company who does charitable team building workshops all over the United States. Accenture has asked them to do one of these workshops where they will be donating 22 rescue buddies to The Township of Parsippany- Troy Hills, which we will be gladly accepting! If you are not familiar with rescue buddies, they are teddy bears that fire departments and police stations keep on hand for children that they rescue in distressed situations. I thank Magnovo and Accenture for this generous donation for those in need, if they shall need it.
