The Morris Area Coalition for Education and Positive Choices

Presents

Friday Nights at Mennen Arena

The first of a series of social events of the New Year for students in Morris County middle and high schools

Friday, January 06 thru

Friday, March 10

7:30PM – 10:00 PM

This series of events is part of a major initiative by The Morris Area Coalition for Education and Positive Choices to help provide families, especially adolescents, with an opportunity to have fun with their friends in a safe, healthy, drug-free environment.

The price of this event will be \$7 per person which will cover the cost of admission, skate rental and a full night of ice skating. Everyone will skate to the latest hit songs played by The Great DJ Earl. The alluring and well-stocked snack bar will be open all evening although snacks are not included in the admission price.

Each Friday night event will have a different theme with the hope of not only entertaining our children, but introducing them to new activities, hobbies and possible career opportunities which they might not have otherwise been exposed to

Come join us for a safe, fun, family filled event!

The Morris Area Coalition for Education and Positive Choices is a pro-active and result-oriented team comprised of law enforcement agencies, educators, elected officials, scouts, organized sports, musicians and parents working together in a new way to unite our communities in our fight against drugs. "I am so proud to be part of this Coalition. The objective that unites this group to fight is simple. We want everyone to join with us in the war against drug and alcohol abuse. WE ARE DETERMINED TO MAKE A DIFFERENCE! So please send your kids to these valuable events and step up to the plate" says Mayor Barberio. Township Committeeman, Ace Gallagher, adds that "We invite everyone to stand on this front line between our kids and the dangers of drug and alcohol abuse."
