Mayor Barberio's Weekly Update

The first grade classes of Mrs. Manley, Mrs. Schwartz and Mrs. Petersen invited me to go to Intervale School to read to their students. In honor of Dr. Seuss' birthday, I read my favorite Dr. Seuss book, Hooper Humperdink, and discussed with them the moral of the story. The children then had the opportunity to ask any questions they had. The first graders at Intervale School could not wait to take a group photo as a special memento of their wonderful day.

ShopRite of Parsippany held a Coffee with a Cop event on March 1, 2017. I like to accompany the police when they meet and greet the public. The whole concept of “Coffee with a Cop” has been catching on nationwide especially in Parsippany with many residents looking forward to meeting and mingling with Parsippany’s finest. Each and every “Coffee with a Cop” gets better and better. We will be having many more events like this, thanks to local businesses. Watch for our next scheduled event.

Mennen Arena was abuzz last Friday night with kids of all ages who came to see what law enforcement in Morris County is all about. The police departments of East Hanover, Hanover Township, Parsippany, Florham Park, Morris Plains, Morristown and Madison attended accompanied by the Morris County Prosecutor's Office, Morris County Park Police and Sheriff's Department. They handed out candy, balloons and giveaways and dressed the youngsters in riot gear, gas masks and other attire. Parents were happy to have ID's made for their kids and watched as they were photographed with police and emergency vehicles. The evening was an impressive one and not likely to be soon forgotten. This spectacular event was planned and orchestrated by the Morris Area Coalition for Education and Positive Choices.

If you are interested in getting involved with the Coalition, please contact the office of the Mayor at 973-263-4256.

The Nano-guru's competed in the New Jersey and Pennsylvania State Championships this past weekend. They won the Winning Alliance award at the NJ states and Think award for their Engineering design at PA State Championships. They are now preparing for the upcoming Super Regionals in two weeks.
