Mayor Barberio's Weekly Update

This was a very busy week but I insist on always making time for the children of Parsippany. When I was approached by Mt. Tabor School to read during "Read Across America", I jumped at the opportunity to read his favorite Dr. Seuss book, Hooper Humperdink. Ms. Donde and her first grade class enjoyed the visit and were very receptive to the book and to the explanation of the moral of the story. Everyone learned a lot.

The first new show of 2017 highlights the extraordinary job our Office of Emergency Management does to guard the citizens of Parsippany. Tune in to hear Chief Paul Philipps, Director of OEM and Eric Hubner, Deputy Director, explain their roles in protecting the residents, the infrastructure and more. Learn how you can become a volunteer and assist your neighbors when tragedy strikes. All of this on channel TV21.

I am always happy to attend National Pancake Day at IHOP. 2017 marks the twelfth anniversary of this popular fundraising event when IHOP offers free pancakes in exchange for a donation to the Children's Miracle Network. IHOP has raised millions of dollars over the years for Children's Miracle Network. Below I can be seen thanking owner, Mo Abdelhadi.

Children who have registered for September Kindergarten at a Parsippany elementary school received a special invitation to visit one of the libraries in the Parsippany-Troy Hills Public Library system. Future Kindergartners who come to Lake Hiawatha Library with their invitations, during the month of March, will receive a small prize and can enter a raffle for a chance to win a set of activity books based on the Tony Mitton children's books. Children can check out a special library book about starting Kindergarten and complete fun activity sheets. We will take the children's pictures to decorate our "welcome" door. Children are encouraged to apply for their own library cards if they do not already have one.

Teen Tech Week is March 5-11. Take advantage of all the great digital resources offered through the Library to help you succeed in school. Stop by a branch of the Parsippany Library starting March 1 and pick up a bingo challenge card for your chance to win a \$100 Best Buy gift card!

A Right of Way permit is required by the Engineering office when installing a new driveway. Mark outs are mandatory prior to digging. Soil Moving permits are required by the Engineering office whenever moving 5 cubic yards of soil or more. Planning Board approval is required when moving 100 cubic yards of soil or more.
