Mayor Barberio's Weekly Update

Everyone in Parsippany looks forward to the Memorial Day Parade. Despite the inclement weather, I still decided to go on with the parade. This year, the parade travelled along North Beverwyck Road in Lake Hiawatha to the delight of young and old alike. Distinguished township chiropractor, Dr. Phil Santiago, served as emcee and introduced each group as they approached the reviewing stand. Participating in the parade were American Legion and VFW veterans, elected officials, emergency vehicles from area fire departments, a host of bands and several community groups. This is one of my favorite township activities. It is such a great feeling to see our residents interacting together and enjoying the day. This is what Parsippany is all about. We have a strong sense of community, a great quality of life and we have a lot of pride in our town.

- Stay Tuned for the Library's Summer Reading Programs, dates to be listed next newsletter!
- As it is that time of the year the housing department has been extremely busy with grass complaints.
- **The Lake Hiawatha Library** children's librarians are reorganizing the children's department to make room for our new "Early Literacy Kits" for preschoolers, which will be available soon. These kits contain books, puzzles and toys related to various topics of interest to preschoolers. Through reading and play, children develop basic skills necessary to become proficient readers and succeed in school. Kit topics include ALPHABET, BUILDING, COUNTING, DINOSAURS, NURSERY RHYMES, and TRANSPORTATION, to name a few.
