## Mayor Barberio's Weekly Update

**Members of Parsippany B.P.O.E. Lodge 2078 can be seen assisting the staff of Parks & Forestry in planting the trees they purchased from Cerbo Garden Center. The trees were purchased by the Elks as replacement for ash trees that were removed by the Township. Damage from the ash borer has devastated trees throughout the State. Lodge 2078 applied for a Beacon Grant from the Elks National Fund and received \$2,000 to purchase 20 replacement trees. Dogwood, blue cypress and spruce trees have been selected to replace the ash trees.**

**The weekend of June 22<sup>nd</sup> is the 24 Hour National Emergency Radio Drill. The Parsippany Office of Emergency Management Radio Amateur Civil Emergency Service (R.A.C.E.S.) volunteers will participate in the National Emergency Communications Field Day Exercise this weekend, Saturday, June 24 and Sunday, June 25.**

**The objective of the event is to challenge licensed Amateur "Ham" Radio operators across North America to set up an emergency communications station, and operate their radios for a continuous 24 hour period, rain or shine. In the event of a large scale disaster, Amateur Radio can be the only form of reliable communications out of a disaster zone. This event provides an opportunity for Hams to practice their skills in emergency communications. The unofficial motto of the Amateur Radio service is "When all else fails.". Tens of thousands of Ham Radio operators throughout the country participate in this annual event. Last year the Parsippany RACES team spoke to over 650 participating radio stations across North America, including Hawaii and Alaska.**

**The Parsippany OEM RACES team will set up their emergency communications station at the Veterans Field Gazebo on Route 46, and operate their station from 2:00 p.m. Saturday to 2:00 p.m. Sunday. The public is invited to stop by and observe our efforts.**

### Parsippany Joins Forces with Cerbo Garden Center to Launch Farmers Market

It is summertime and what is more exciting than the prospect of fresh local produce provided by a neighborhood farmer's market? I am pleased to announce that the Mayor's Wellness Campaign has formed a partnership with Cerbo Garden Center to promote healthy and active living by providing access to local, healthy foods and connecting people to community resources. There is no better way to strengthen the community than by shopping locally. By visiting Cerbo Garden Center, citizens support our local farmers as well as business and community members. With the assistance of their staff, Cerbo's can teach people how to select a variety of seasonal and locally grown foods to prepare healthy, multicultural dishes.

This season, all sorts of wonderful items will be offered at the market such as baked goods, jarred products, glass bottled milk, herbs and flowers in addition to wonderful fruits and vegetables. Participants will include Green Valley Farms, Paolo's Kitchen, Baker's Bounty, Let it Grow Farms, Gourmet Fruit and Nut and Alstede Farms. Plans are underway for the June 17th grand opening. The market will run every Saturday through October 28th from 10 am to 3 pm at Cerbo Garden Center, 440 Littleton Road, Parsippany.
