Operation and construction, pursuant to said consent, is conditioned upon prior approval of the Board of Public Utilities.

In the event applicable law hereinafter permits a larger franchise fee to be collected, but does not fix the amount thereof, the Township and Cablevision shall negotiate in good faith with respect to the amount thereof; provided, however, that nothing herein shall be construed to permit the Township to require payment of a franchise fee by Cablevision that is higher than the fee paid by all other cable television service providers offering service in the Township.

SECTION 19. EQUITABLE TERMS

In the event that the service of another multi-channel video program provider not subject to the Township's regulatory authority within the Township creates a significant competitive disadvantage to Cablevision, the Company shall have the right to request from the Township lawful amendments to its Franchise that relieve it of burdens which create the unfair competitive situation. Should the Company seek such amendments to its Franchise, the parties agree to negotiate in good-faith appropriate changes to the Franchise in order to relieve the Company of such competitive disadvantages. If the parties can reach

an agreement on such terms, the Township agrees to support the Company's petition to the Board for modification of the consent in accordance with N.J.S.A 48:5A-47 and N.J.A.C. 14:17-6.7.
