## ARE YOU READY for Emergencies or Disasters?

Prepare with Parsippany's (FREE) CERT training classes held every Wednesday evening in October from 6 - 10 PM.

The training will involve discussions and hands on experience. The course will cover topics including

- Home preparedness
- first aid
- disaster psychology
- fire safety
- light rescue operations and more.

The course is open to adults, 18 years or older.

All graduates will receive a CERT backpack containing various disaster supplies, CERT manual, and a nationally recognized certificate of completion and the opportunity to join Parsippany CERT.
