### 1.5 GENERAL REQUIREMENTS

**1.5.1 Acceptance of Standard Terms and Conditions/Contract.** By submitting a response to this RFP, proposer agrees to acceptance of the standard terms and conditions as set out in this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer referenced above by the date for receipt of written/e-mailed questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the proposer's ability to respond to the RFP or perform the contract. Any material exceptions requested and granted to the

standard terms and conditions language will be addressed in any formal written addendum issued for this RFP and will apply to all proposers submitting a response to this RFP. The Township will make any final determination of changes to the standard terms and conditions.

**1.5.2 Resulting Contract.** This RFP and any addenda, the proposer's RFP response, including any amendments and any clarification question responses, shall be included in any resulting contract. The Township's contract contains the contract terms and conditions which will form the basis of any contract between the Township and the selected proposer. **1.5.3 Mandatory Requirements.** To be eligible for consideration, a proposer *must* meet the intent of all mandatory requirements. Proof of authority of the person signing the RFP response must be furnished upon request.

**1.5.6 Offer in Effect for 60 Days.** A proposal may not be modified, withdrawn or canceled by the proposer for a 60-day period following the deadline for proposal submission as defined in the Schedule of Events and proposer so agrees in submitting the proposal.

## SECTION 2: RFP STANDARD INFORMATION

### 2.0 AUTHORITY

This RFP is issued under the authority of the Township of Parsippany-Troy Hills. The RFP process is a procurement option allowing the award to be based on stated evaluation criteria. No other evaluation criteria, other than as outlined in the RFP, will be used.

### 2.1 PROPOSER COMPETITION

The Township encourages free and open competition among proposers. Whenever possible, the Township will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Township's need to procure technically sound, cost-effective services and supplies.

### 2.2 RECEIPT OF PROPOSALS AND PUBLIC INSPECTION

**2.2.1 Public Information.** All information received in response to this RFP, including copyrighted material, is subject to public disclosure and may be made available for public viewing after the time for receipt of proposals has passed with the following four exceptions: (1) bona fide trade secrets meeting the requirements of the Uniform Trade Secrets Act, Title 30, chapter 14, part 4, MCA, that have been properly marked, separated, and documented; (2) matters involving individual safety as determined by the Township; (3) any company financial information requested by the Township to determine vendor responsibility, unless prior written consent has been given by the proposer and (4) other constitutional protections, or as otherwise not subject to disclosure according to OPRA guidelines.

**2.2.2 Procurement Officer Review of Proposals.** Upon opening the proposals received in response to this RFP, the procurement officer in charge of the solicitation will review the proposals and separate out any information that meets the referenced exceptions in Section 2.2.1 above, providing the following conditions have been met:

- Confidential information is clearly marked and separated from the rest of the proposal.
- The proposal does not contain confidential material in the cost or price section.
- An affidavit from a proposer's legal counsel attesting to and explaining the validity of any trade secret claim asserted by the proposer.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Proposers must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of an open public records request from another party.

### 2.3 CLASSIFICATION AND EVALUATION OF PROPOSALS

**2.3.1 Initial Classification of Proposals as Responsive or Non responsive.** All proposals will initially be classified as either "responsive" or "non responsive". Proposals may be found nonresponsive any time during the evaluation process if any of the required information is not provided; the submitted price is found to be excessive or

inadequate as measured by criteria stated in the RFP; or the proposal is not within the plans and specifications described and required in the RFP. If a proposal is found to be nonresponsive, it may be subject to point deductions.

**2.3.2 Determination of Responsibility.** The Township will determine whether a proposer has met the standards of responsibility. Such a determination may be made at any time during the evaluation process if information surfaces that would result in a determination of non-responsibility. If a proposer is found non-responsive, the determination must be in writing, made a part of the procurement file and mailed to the affected proposer.

**2.3.3 Evaluation of Proposals.** The Township will evaluate the proposals and recommend whether to award the contract to the firm determined to best meet the needs of the Township or, if necessary, to seek discussion in order to determine the firm to be selected. All responsive proposals will be evaluated based on stated evaluation criteria. The Township may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing quality and contractual factors. These will be used to determine the most advantageous offering to the Township.

**2.3.4 Completeness of Proposals.** Selection and award will be based on the proposer's proposal and other items outlined in this RFP. Submitted responses may not include references to information located elsewhere, such as Internet websites or libraries, unless specifically requested. Information or materials presented by proposers outside the formal response or subsequent discussion may not be considered.

**2.3.5 Opportunity for Discussion and/or Oral Presentation/Product Demonstration.** After receipt of all proposals and prior to the determination of the award, the Township may initiate discussions with one or more proposers should clarification be necessary. Proposers may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, proposers should be prepared to send qualified personnel to the Township of Parsippany-Troy Hills to discuss technical and contractual aspects of the proposal. Oral presentations/demonstrations, if requested, shall be at the proposer's expense.

**2.3.6 Contract Award.** Contract awards, if any, will be made to the proposer who the Township determines who best can provide the services required and provides all required documents. Formal contracts incorporating this RFP, including the attachments and the selected proposals, will be executed by all parties.

## **2.4 TOWNSHIP'S RIGHTS RESERVED**

While the Township has every intention to award contracts as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Township to award and execute any contract. Upon a determination that such action would be in its best interest, the Township, in its sole discretion, reserves the right to cancel or terminate this RFP; reject any or all proposals received in response to this RFP; waive any undesirable, inconsequential, or inconsistent provisions of this RFP which would not have significant impact on any proposal; not award if it is in the best interest of the Township not to proceed with contract execution; or if awarded, terminate any contract if the Township determines adequate funds are not available.

The respondent determined to best meet the Township needs will then be recommended to the governing body for award of contract, based on price and other factors.

### **5.1 EVALUATION PROCEDURE**
